

## FRIDAY ENVIRONMENT FORUM

Attendance to this Forum is open to anyone who appreciates Noosa's beautiful natural environment and would like to know more about its care and protection. The weekly meetings are held in the Noosa Parks Association Environment Centre, 5 Wallace Drive Noosaville which is next to the Noosa Library. The forums are a public information exchange with Guest Speakers covering a range of current conservation and environmental issues. The audience includes like-minded individuals who have a passion for some aspect of Noosa's flora and fauna, and those who want to learn more.

- 10.00 am** Morning Tea (gold coin donation)  
**10.30 am** Forum starts with discussion on matters of local & national environmental interest  
Guest Speaker (as advertised)  
**12.15 pm** Conclusion of forum, some people stay for lunch – bring food and join in.

Details of each presentation are published in the local press, on notice boards at the Environment Centre, or visit [www.noosaparks.org.au](http://www.noosaparks.org.au) where the forward program of guest speakers is also listed.

A different guest speaker each week

The Environment Centre is located in Wallace Park and can be accessed by the Gibson Road Roundabout. A visit to the centre is also an opportunity to see a pictorial record of the 55 year history of the Noosa Parks Association, and learn about NPA Activity Groups.

For anyone interested in birds or simply wanting to know more, join the Bird Observers who meet before Friday Forum for an interpretive bird walk in Wallace Park at 8.30am. Meet in the carpark.
