

Noosa Parks Association Inc.
Greening Noosa Programme 2017

In February, June and November, we will continue to look after The Noosa Parks Association Park on Noosa Spit, and encourage all NPA members to participate in this activity. Being the long term custodians of this part of Noosa Spit helps us resist ever present pressures to expand Hastings Street car parking along the Spit.

Apart from these three work days, there are other opportunities for NPA members to contribute by weeding on the second Thursday of the month near Doggie Beach, further down Noosa Spit, and along the coastal track in Noosa National Park on the third Wednesday of each month.

Work mornings begin around 8 and finish at 10.30, usually with a cup of tea or coffee. Everyone is most welcome, and encouraged to bring their own weeding tools and gardening gloves.

February	THURSDAY 9 - Doggie Beach SUNDAY 12 - NOOSA PARKS ASSOCIATION PARK WEDNESDAY 15 - Noosa National Park
March	THURSDAY 9 - Doggie Beach WEDNESDAY 15 - Noosa National Park
April	THURSDAY 13 - Doggie Beach WEDNESDAY 19- Noosa National Park
